

December Recap

Last month's **Birthday Dinner** was hosted by **Cathy R.** who prepared delicious **homemade sloppy joes**. After the dinner, Cathy provided **Christmas decorations** and everyone customized their own balls to hang on the tree Cathy donated. Thank you, Cathy!

7he **December Concert** featured the **Dave Shepard Duo** who performed a variety of great **classic rock and country** songs. We will certainly be booking them again!

Our **Adopt-A-Road** program finished it's first year of litter removal from our designated stretch of **Denton Avenue**. **Big thanks** to everyone who **volunteered** this year to help **keep America beautiful!**

Our two **Beerfests** were a hoot! We divided into **two teams** and played a variety of fun games with **red solo cups** and **ping-pong balls**. The competition was tight, the beer was cold, and the fun was huge!

We had our first **poker crawl** of the season with around **25 players** with **six fun stops** along the route. **Big thanks** to those who **hosted a stop!** If you were a player, please consider **hosting a stop** next month so we can keep a nice rotation. The big winners were: **Natalie P. and Louanne W.**
