

June Recap

The **June Birthday Dinner** hosted by **Brenda and Ricky J.** with their **BBQ Pork and Luau** theme was delicious good fun.

We had a few **Dive-In Movies** in June, including **The Blues Brothers** and **The Princess Bride**. If you still haven't experienced watching a movie while **naked in the open air at night**, you just don't know what you're missing. We always have **free popcorn** and **mixed drinks** at our donation bar and the weather has been perfect!

Our **Dive-In Movies** happen every **Saturday night** and continue **throughout the Summer and Fall**. Please keep in mind that these screenings are all "**weather permitting**." If a popular film gets rained out we will try to reschedule it in the future. **Many thanks** to everyone who **volunteers** their time to help move chairs and set up/break down the projection equipment. It means so much when **our community comes together** to pitch in when needed.

Our second litter removal day for our **Adopt-A-Road** program was much easier this time around. We had around **15 volunteers** who collected **12 bags of trash and recyclables**. The weather was pleasant and we were finished up in an hour and a half. Look for our next litter removal day in **Autumn**.

Our **Concert Series and Open House** on **June 19th** was highlighted by a fun performance by the "**Barefoot Band**." It was exciting to share our resort with an abundance of new faces. There was also another great **music trivia** game hosted by **Brian**. Congrats to all the winners: **Wild Ones, Fodder's Day, and Team Eden!**

Don't forget...our concert days are the **third Saturday** of every month, so make your plans early and **reserve one of our rental units or RV sites** and you can **party the day/night/weekend away** with us.
