*The **Birthday Dinner** for **August** was hosted by **Angela and Kathy** who baked some amazing **pasta dishes**. **Many thanks** to everyone who pitched in to help **celebrate our August birthdays!***

***Woodstock Weekend** was a groovy good time and **Classic Overdrive** was like, far out man. Although Friday night's screening of the **Woodstock documentary** got rained out, we brought the fun inside the clubhouse and had a **jam night** while people made **beaded necklaces** and **danced** the night away. Thanks to **Rowan and Randal** for bringing the beads! Sunday, we had **Naked Karaoke** at the pool while **Martin, Becky, and Ashley** helped everyone create their own **tie dye apparel** at the **Tiki Hut**.*
